There will be a break for lunch after event 20, during which time the presentation of the league awards will be done.

For the events up to 400m, if there are no more than 8 competitors reporting, then the event will be run as a straight final. If there are heats, then the fastest 8 qualify for the final.

For the hurdles and events 600m and above, if there are too many competitors for one race, then there will be two or more races, with medals decided by the fastest times overall.

Please note that for most age groups it is not possible to put on all events in a one-day programme. So, most events will be offered in alternate years.
